Filed: December 27, 2000 :
Attorney Docket No. :
9D-HR-19614-Daum et al :

This is a decision in response to the petition under 37 CFR 1.137(b), filed on July 25, 2002, to revive the above-identified application. This Decision also responds to the Status Request and the Associate Power of Attorney and Change of Correspondence Address filed on December 18, 2001. The delay in responding to the status request is regretted.

This Petition is hereby granted.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice to File Missing Parts of Nonprovisional Application ("Notice") mailed February 16, 2001. The Notice set a period for reply of two (2) months from the mail date of the Notice, which required, in relevant part, an executed Oath/Declaration. Accordingly, the above-identified application became abandoned on April 17. The mailing of this decision precedes the mailing of a Notice of Abandonment.

With the instant petition, Petitioner has filed a properly executed Oath/Declaration.

The Associate Power of Attorney and Change of Correspondence Address have been entered and made of record.

This application is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries concerning this matter should be directed to the undersigned at (703) 305-0014.
